Buffalo	Transport	0	1813 Calcutta	1840	Wrecked	Mercury Bay, Whitianga	New Zealand	1960	Buffalo was anchored in Mercury Bay off Whitianga and loaded with Kauri spars when a storm on 28 July 1840 wrecked her. The gale parted her from her cables. When it became clear that her crew could not save her, Wood steered her onto the beach. All the crew except two were saved, but she herself was a total loss.[15]	<p>Sexton, Robert (1984), H.M.S.
